me: no, I agree entirely
Joshua: ?
Joshua: twa
Joshua: perhaps
me: yes, yes
Joshua: that sounds more like a livable situation for all parties
me: she lives in Manhattan on month to month lease and apparently hates her landlord
Joshua: currency
Joshua: currency
Joshua: currency
Joshua: currency
Joshua: lol
me: uh, technically, actually, a technical sense
Joshua: lol
Joshua: i'm probably only 100-150
Joshua: that's a bit of an exaggeration...
me: I can hear the gears in your head turning from two hundred miles away
Joshua: she moves around alot right
Joshua: sounds kinda crazy - where does she live now?
Joshua: word
me: mel might move in with his grandma in a month to save up money, and catalina would take his placce
Joshua: i love currency
Joshua: money and currency
Joshua: money and currency
me: in a few days
Joshua: money and currency
me: not yet
Joshua: did caleb leave
Joshua: so - what's tha haps
me: lol!
Joshua: lol
Joshua: lol
Joshua: did you download that too
Joshua: bc if you did
me: and a basic examination of that era would confirm the validity of Dr. Tendlebrautaum's thesis

Joshua: ?
me: pardon me for a second
Joshua: so - what's the plan this eve
Joshua: how are you
Joshua: doin' well mel
me: hey whats up josh its mel how r u
Joshua: nahnah nah naaaah
Joshua: i use my turn signal to indicate what direction my car will be going
Joshua: currency!
Joshua: !
Joshua: driving in cars on the freeway offramp
Joshua: currency!
Joshua: bzzzzzzzzzz
me: that guy
me: oh, yeah
